## **REFLECTION**

And how is he King?

Jesus Christ, of heaven and earth mocked and killed through the cruelty of his people – a king?

Just in paradise? Or now, today?

Where is his power? How is he powerful?

This man – one – single life –Who has been the most predominant influence on human history.

His power is seen on a cross, And the cross his throne. May we see him at his truest there, Forgetful of self, Mindful of the thief beside him on Calvary – ‘Today you will be with me in paradise’.

His power is in the weakness of love, and the strength of compassion.

His leadership is in the sharing of struggles and in his vision of

humanity. His attraction is in his care for all and in his urgency for justice. His influence is from the truth of God and his desire that this word be heard in the way we live.

A king not only of the future but of today, not only of heaven but of earth, not of power but of service, for he comes among us as one who serves.

Compassion, love, forgiveness, truth. Wholehearted care and acceptance of us all; this is Jesus the King, fully human, fully divine, Son of God and Son of Mary.
