Back to school

September a time of new beginnings. Wishing all who are starting new things all the very best.

A Prayer for a New Beginning

O God of young faith and new beginnings I remember the first church of my childhood where you first stepped into my life and fed me with your life Your life is a treasure I have never stopped seeking. It is a treasure I have never stopped finding.

I remember the deep, ever-growing faith of my parents who not only taught me to walk but taught me to walk in your paths.

But now, in the middle of my years I need you O God of young faith and new beginnings For the path my parents pointed out to me seems to be a path that leads to a cross.

And I hunger for a sign, a rainbow, a sprouting seed, a meal shared with love, a warm embrace to assure me that it really is the best path.

O God of young faith and tired faith. Breathe into my life a new beginning.
