REFLECTION:

Peter has been called a stumbling saint. He is a great consolation to us because courage fails us all.

All of us are mere mortals,

Who are inconstant in our beliefs.

We must learn to forgive ourselves

Momentary weaknesses and failures.

We need to surmount these things

And see the world in less rigid terms.

We must not judge ourselves or others

By momentary inconsistencies,

But rather by commitment given over a long time.

Jesus was well aware of Peter's faults,

But he saw that in spite of everything, His heart was sound.

Which meant he had the ability to love.

And in the long run love is what counts.
