### Anyone who drinks the water that I give will never be thirsty again.

So much in life we want, desire, need: food and drink, friendship and love, sex and acceptance; Jesus, what have you to offer? What does it mean that **Anyone who drinks the water that I give will never be thirsty again?**

Human wants and desires are confused; we want happiness and look in the wrong places; we’re like the woman at the well, looking for happiness in a place we can’t find it, and open to the love Jesus offers; **Anyone who drinks the water that I will give will never be thirsty again.**

I thank you Lord, for faith, for the roots of my life which nobody else can give; I thank you for a meaning in life which makes me strong from birth to death; I thank you for the Eucharist which nourishes all life’s moments; I thank you for forgiveness, which means I need never stay stuck in faults.

Thank you for this living water: **Anyone who drinks the water that I will give will never be thirsty again.**
