A PRAYER FOR UKRAINE

God of peace and justice,

We pray for the people of Ukraine today.

We pray for peace and the laying down of weapons.

We pray for all those who fear for tomorrow,

That your Spirit of comfort would draw near to them.

We pray for those with power over war or peace,

For wisdom, discernment and compassion to guide their decisions.

Above all, we pray for all your precious children, at risk and in fear. That you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace. Amen.

UKRAINE

The people of Ukraine are suffering hugely at this time. We will have a retiring collection on Weekend of 26th & 27th March in Quilty and Coore Church and on Sunday 3rd April in Mullagh Church.

Reflection

No Woman, No Cry

So you're a mother and it's Mother's Day. In a Church which sanctifies motherhood and a society cherishing the relationship between mother and child, you're a star. Accidentally or intentionally, for better or worse, you brought a child into the world. And that fact forges a bond with another woman who gave birth in a stable and is still revered two thousand years later as the mother of all mothers. But if you're not a mother on mother's day, what then? Does it hurt, not being a mother? Are you angry your body let you down? Or maybe, it was his body and you wonder of it might have been different with someone else.

It could just be that it just didn't work out for you. You never met the father of your unborn child or you met him and he was committed to someone else. Of he had a phobia about commitment which messed up your life, though your biological clock is ticking, you're too scared and too tired to try to make it right with someone else.

You may have had a mother who put you off the idea of motherhood for life. Or you decided early on that you, at least, would not be clogged up an already overpopulated world. But you feel defensive, somehow, everyone expects that you aspire to motherhood simply because you're a woman.

Some newspapers claimed last year that female suicide outstrips male suicide on just one day of the year: Mother's Day. The day when so many women receive flowers from childish hands and cards with childish sentiments of love. And so many women don't.

THE SYNOD Parish Survey

The church throughout the world is presently engaged in a synod to find out the needs of parishes at this point and into the future. Our synod committee drawn from the two pastoral councils of Miltown Malbay and Kilmurry Ibrickane have put together a parish survey that is attached to his newsletter. We would love if you took time to fill it out and return to us in the boxes provided in your local church, your local post office or in Supervalu Miltown Malbay. We would love to hear from you even if you have drifted away from Church practice. The survey is confidential and we deeply appreciate you taking the time to fill it out so that we can plan for the future. At the mass on next Sunday there will also be an opportunity to fill out the survey. We thank you in advance for our help.

PARISH SURVEY SYNOD:

Please Complete Our Parish Survey By April 10th Using The Following Link below .

This is a Joint Survey of the K.I.B. & Miltown Malbay Parishes to help us discern the needs of both parishes into the future. It is really important that you would have your say, and take time to fill in this survey.

We thank you in advance, Miltown Malbay & K.I.B. Parish Council.
