Reflection

Keep an open mind

Closed-minded people put others down;
Open-minded people are tolerant and understanding.
Closed-minded people cannot see the good in people who disagree with them;
Open-minded people see some good in everyone.
Closed-minded people mind others people business;
Open-minded people mind their own.
Closed-minded people are envious and jealous;
Open-minded people are contented and thankful.
Closed-minded people know it all;
Open-minded people realise how little we all know.
Closed-minded people belittle our cultures and customs;
Open-minded people know the value of diversity.
Closed-minded people are suspicious and overly cautious;
Open-minded people are trusting and adventurous.
Closed-minded people talk without thinking;
Open-minded people think before talking.
Closed-minded people think they are always right;
Open-minded people realise how easy it is to be wrong.

We warmly welcome everybody back. We are concerned for the safety of everybody so at a recent Pastoral Council meeting we decided on the following safety measures:

1. Hand sanitisers are available at each church. We ask you to avail of these as you enter the Church.
2. We ask you to adhere to social distancing by being aware of the signs on the floor.
3. Families are welcome to sit together, two people per seat from different households (seated on either side of the seat) Stewards will guide you to your place.
4. Eucharistic Ministers will wear face masks and sanitise hands before giving out Holy Communion, we ask you if possible to receive Holy Communion on your hand.

These measures are to keep everybody safe, we really look forward to welcoming you back.
