Reflection
Ideally words should always be preceded by deeds.
When people who have done something
Begin to speak, people listen.
Their words carry enormous weight.
They have real authority.

The weakness of a lot of words arises from the fact
That they are not preceded, or accompanied,
Or even followed by words.
At the root of innumerable wrongs in our world
Is the discrepancy between word and deed.
It is the weakness of Churches, parties, and individuals.
It gives people and institutions split personalities.
Lord, grant that what we have said with our lips,
We may believe with our hearts,
And practice with our lives.

Prayer to St. Brigid
Brigid, you were a woman of peace.
You brought harmony where there was conflict.
You brought light to the darkness.
You brought hope to the downcast.
May the mantle of your peace cover those who
are troubled and anxious,
and may peace be firmly rooted in our hearts and in our world.
Inspire us to act justly and to reverence all God has made.
Brigid you were a voice for the wounded and the weary.
Strengthen what is weak within us.
Calm us into a quietness that heals and listens.
May we grow each day into greater wholeness in
mind, body and spirit. Amen.

St. Brigids Day 1st Feb 2024
Legend holds that Brigid made her first cross from rushes she picked from the floor as she visited a pagan chieftain who was dying. While sitting by his bed she began to weave the rushes into the shape of a cross and tell the stories of her Christian faith. The cross became a symbol of peace and protection, protection of animals and protection from fire and disease and a blessing for home and hearth. Crosses were exchanged too in times of clan feuds as a sign of reconciliation. From that time Irish people have never ceased to weave these crosses. These rushes represent our hopes, our dreams, our gifts and our efforts in working towards a more caring society. Look. She is gathering the dreams to weave something new. She gathers our rushes of sorrow and gladness, of happiness and pain, tears and laughter, kindness and caring, of voluntary groups and organisations, of families, relations and friends, of schools and hospitals, of work and sport and recreation, and all the little words and deeds offered in hope, in faith and in love. She is weaving them all with loving hands into a new form, a richer and more beautiful creation. God, too weaves patiently and persistently with the rushes of our lives. He invites us to keep offering him the shreds of our suffering and the stuff of our dreams and to take our place beside him to weave the shape of new creation.
