What's included in the free hearing health check:

- Video otoscope: a visual look inside the ear using specialist equipment

REFLECTION

The circle around my life

Most of our lives is spent in keeping people out. We have private houses, private clubs, and so on. Of course there are times when we need to be alone. Yet there is a sense in which our size as humans beings

Can be measured by the circles we draw to take other people in:

The smaller the circle, the smaller the person.

A strong person isn't afraid of people who are different. A wise person welcomes them.

By shutting other people out we deny ourselves

The riches of other people's experience.

We starve our minds, and harden our hearts.

In the beginning God gave the earth its shape.

He made it round. He included everybody.

So should we.

MRS CONNIE MEE retired recently after 33 years of wonderful service in Mullagh National School. Mrs Mee worked with the Junior and Senior Infants for most of her time in the school, giving the children a wonderful foundation at the beginning of their school life. In recent times she prepared children for First Communion. Mrs Mee was meticulous in her work with the children and brought the very best out of them. We thank you Mrs Mee for all the seeds you sowed with such love in our school over all the years. May you be blessed with good health and may your retirement be a time of harvesting all the seeds you have sown with such love.
