As a sign of the great friendship between our Church and the Church of Ireland this Pentecost the two bishops – Bishop Fintan Monahan and Bishop Michael Burrows – have come together to give us a series of seven reflections and prayers. The reflections are all from the Franciscan Richard Rohr, whose writings speak to Christians of all churches. They are designed to help us to find our true selves and remove the masks we wear, so that we too can be better followers of Jesus and live the lives to which we are called. You are the breath of creation,

The wind of change that blows through our lives,  
Opening us up to new dreams and new hopes,  
New life in Jesus Christ.

Forgive us our closed minds

Which barricade themselves against new ideas,  
Preferring the past to what you might want to do through us  
tomorrow.

Forgive our closed eyes

Which fail to see the needs of your world,  
Blind to opportunities of service and love.

Forgive our closed hands

Which clutch our gifts and our wealth for our use alone.

Forgive our closed hearts

Which limit our affections to ourselves and our own.

Spirit of new life,

Forgive us and break down the prison walls of our selfishness,  
That we might be open to your love and open for the service of  
your world,

Through Jesus Christ our Lord. Amen.
