Another Christmas

Advent is waiting for the birth of Jesus, but it's a strange waiting; we are waiting each year for someone we know is here!

We recall in Advent that the Lord Jesus has come among us, is present all the time and will come again in glory.

He is the child who is born each year, for the world always needs its God and saviour. He is the child awaited each year, for our lives are new each year, and we need him in different ways at different stages of life, and the world has different needs of God at different times.

We need the child of peace to be born in our wars and violence, the child of wisdom in our search for truth and meaning, the child of gentleness in a world which can be harsh and greedy.

We need to know in Jesus that birth and life are the most precious gifts of God, and that in the birth of Jesus each year, is the everlasting promise of God to be with us.

And Advent looks ahead, letting us see that the life of Jesus is never over, that the truth of Jesus is always spoken, and that he will one day be seen in glory.

For we are people of Advent and Easter, of waiting and of resurrection; we are people of earth and Heaven, as he is the Son of God and Son of Mary, and leads us through our life on earth to the eternal glory of Heaven.
