EDUCATION FUND COLLECTION: At this time we have the annual collection for the Education Fund for the diocese. At present the diocese has one student preparing for priesthood in Maynooth College. A number of young men have made enquiries about priesthood and we are hopeful that our number of students will increase in the coming year. As well as supporting the education of these students the fund also supports post-graduate education for the priests of the diocese and in recent years a portion of the fund is allocated towards the future expense in the training of lay people for various ministries in the diocese. We continue to pray that many will respond to the Lord's calling in the future. Thank you for your generous support of the diocese and your parish in the work of spreading the Gospel. This collection will take place next weekend 5th and 6th of May in all Churches in the Parish. We ask your generous support for this worthy cause.
