**MULLAGH VILLAGE PAINT SCHEME:** Mullagh Tiday Villages have submitted an application to Clare County Council for a Painting Grant Scheme for the Village. The one stipulation is that 75% of property owners in the village have to paint their properties and then if that is done, Clare County Council will inspect same and decide what percentage of a refund they will give to the property owners. It is only a percentage of the cost that will be refunded, not the full amount and only if 75% of properties take part. So it is very important if you are participating in this grant scheme that you hold onto your paint receipts as the council will look for these to determine what refunds would be granted.

**MULLAGH TIDY VILLAGES:** It is that time of year again when we are having a visit from the judges in the Tidy Villages Competition. Judging will take place anytime in the next 2-3 weeks, the judges do not give us a definite date, they will just arrive unannounced sometime in the next 2-3 weeks. We would appeal to all business and property owners in the village and the outskirts to give their property a lick of paint and a tidy up maybe with some flower baskets to enhance the appearance of our village. The Chairman TJ O'Loughlin would like to say a big thank you to everyone who helped to improve their premises and put out flowers over the past number of years as it has paid off. Five years ago Mullagh Village rating from the judges was 225 points and in 2016 our rating was 243 points. A great achievement by all. Lets all work together and get our village up to 250 points hopefully this year. Lets be proud of our village!
