REFLECTION – The circle around my life

Most of our lives is spent in keeping people out.
We have private houses, private clubs, and so on.
Of course there are times when we need to be alone.
Yet there is a sense in which our size as humans
beings

Can be measured by the circles we draw to take other
people in:

The smaller the circle, the smaller the person.

A strong person isn't afraid of people who are different.

A wise person welcomes them.

By shutting other people out we deny ourselves

The riches of other people's experience.

We starve our minds, and harden our hearts.

In the beginning God gave the earth its shape.

He made it round. He included everybody.

So should we.

PRAYER FOR JULY

God is our refuge and strength,

A very present help in trouble.

Therefore we will not fear,

Though the earth should change,

Though the mountains shake in the heart of the sea;

Tough its waters roar and foam,

Though them mountains tremble with its tumult.

The Lord of hosts is with us;

The God of Jacob is our refuge.
