TAX BACK SCHEME

We thank all parishioners who participated in this scheme and returned tax back returns to us. We are pleased to say this resulted in a claim of €8,448.45. This is a great return at a time when big projects have been undertaken. This amount is a once off as it covers back payment for tax years 2010,2011 & 2012, but each year it could yield €2,500 annually. This is only effective when we can verify donations through the envelope system. We appeal to parishioners who make contributions through the basket system to consider using the envelope system. This is a good scheme, the only place in the whole tax system where people can say where their taxes can be applied. Boxes of envelopes are available in the Parish Office.

The Civility Prayer

*Grant me the hindsight to know where I
have been,
the foresight to know where I'm going and
the insight to know when I've gone too far!*
