REFLECTION— Gaining and losing

There is a way of losing by gaining.

You can win an argument but lose a friend.

Through competition and promotion

I may advance in my profession,

but in terms of relationships I am impoverished.

My energies are so focused on efficiency and success

that I haven't time to grow emotionally

and to develop my capacity for relationships.

In one's drive to attain power,

a person may sacrifice friendship and loyalty,

so much so that one ends up alone.

Lord, let me never forget your haunting words:

"What good will it do you to gain the whole world

if you lose your soul?"
