Things can Change

*Things can change: water can become wine,
families can be reconciled, justice can replace violence
peace can cover the land.*

*And people can change when they get a chance.
love can change hardness of heart into compassion,
prayer can change a selfish style of life into generosity.*

*With the touch of Jesus water can change into wine,
and men and women can change, and become more like
God.*

God sees us as we are, and as we can be.

*As the water was changed at the word of Jesus
and the prayer of Mary, so too the world can change
at the word of Jesus, made active through us,
and the prayer of Mary and his followers.*

*We are not stuck in the present, we are not prisoners of
the past. The followers of Jesus are people with a future.*

We are the people of the resurrection.

*And so this day we make a prayer for justice where there
is no inequality, for peace where there is violence, for
love where there is hate. And all this can happen, when
we try to put on the mind and heart of God.*
