

**FOR MUMS & DADS WITH KIDS STARTING SCHOOL**

I wonder what you're doing right now  
And if everyone is treating you kind  
I hope there is a special person  
A nice friend that you can find  
  
I wonder if the teacher knows  
just how special you are to me  
And if the brightness of your heart  
Is something she can see

I wonder if you are thinking about me  
And if you need a hug  
I already miss the sound of your voice  
And how you give my leg a tug

I wonder if you could possibly understand  
How hard it is for me to let you grow  
On this day know that my heart breaks  
For this is the first step in letting my baby go.
