Irish Bishops Pastoral “Why Sunday Matters”

The Irish Bishops Pastoral Letter “Why Sunday Matters” is available in the porches of our Churches if you would like to take one as you leave.

The following is an extract from the letter:

Mass is not just a personal act of devotion; it is a communal act of worship. We go to God together. The Sunday Mass is where the Church is most visibly alive, and where every members of the community plays an essential role. Each person's participation is needed for the Church to truly live. It is important to gather physically for Mass, and although technology is helpful, it can never replace the tangible experience of being with the community as we listen to God's word and receive the Body of Christ. We invite you to consider how your presence at Mass can contribute to making the Church visible and alive.

Mullagh Church: If you would like to contribute to our church painting project please put your contribution in an envelope and mark it “Mullagh Church Painting Fund”. Or donate online:

Reflection

There are those who give, but only on condition that they receive something in return, and receive it immediately.

There are those who give on condition that they receive something in return later on and with a handsome profit.

And there are those who give without expecting anything in return now or ever.

The latter are imitating the generosity of God, who bestows his love on good people and bad, and grants mercy to saints and sinners.
