PRIESTS’ AUGUST COLLECTION: This collection will be offered on all Masses on Saturday 6th & Sunday 7th August. All support appreciated.

FRIENDS OF ENNISTRIM HOSPITAL: Will be holding a collection at all Masses this weekend Saturday 6th & Sunday 7th August. Directly from Shannon Airport the cost is €650 p/p which is the cheapest pilgrimage to Lourdes this year from Ireland. Booking forms are available from Fr Tom Ryan, Doisdeal Pilgrimage Director, SS John & Paul Presbytery, Shannon, Co. Clare.

K.I.B. ACTIVE RETIREMENT ANNUAL OUTING: This will take place Week 31 2011. This year we will visit The Burren Centre, Kilfenora, The Burren Perfumermy, Carnon and then on to Galway for lunch and shopping. Bus will leave Mullagh at 9am for the journey in the company of other KIB members. Prayers that we are used to hearing the Priest say will sound different to us. The style of language we will hear and pray may seem more formal to us and perhaps, in parts, more complex. But over time, with the praying of these texts, the sound of the Mass will become familiar to us.

Prepared by the National Centre for Liturgy.

is Mass Changing?
The structure of the Mass is not changing. Its order and the actions of the Mass remain unchanged. The readings at Mass are not changed. However, with the introduction of the new edition of Roman Missal we will notice a change in how the Mass sounds. The translations of a significant number of our prayer texts from the original Latin have changed - sometimes by just a change in a particular word or in the word order. Prayers that we are used to hearing the Priest say will sound different to us. The style of language we will hear and pray may seem more formal to us and perhaps, in parts, more complex. But over time, with the praying of these texts, the sound of the Mass will become familiar to us.
