Wrong email address:

A couple going on vacation but his wife was on a
business trip so he went to the destination first and his
wife would meet him the next day.
When he reached his hotel, he decided to send his wife
a quick email. Unfortunately, when typing her address,
he mistyped a letter and his note was directed instead to
an elderly preacher's wife whose husband had passed
away only the day before. When the grieving widow
checked her email, she took one look at the monitor, let
out a piercing scream, and fell to the floor
in a dead faint.

At the sound, her family rushed into the room and saw
this note on the screen:
Dearest Wife,
Just got checked in. Everything prepared for your arrival
tomorrow.
P.S. Sure is hot down here.

competition. In Quilty, she will be performing virtuoso violin pieces
by Bach and Something Wild!

Other performers are : Gene Ramsbottom from Canada, Leonie
Anderson from the UK, Sarah Elln Murphy from Limerick &
Samuel Barton from London.
