Week Seven (Sunday 31.03.12)

"This is the revelation of God's love for us, that God sent his only Son into the world that we might have life through him."
John 4:9. This Easter Sunday we celebrate the new life that thousands of the world's poorest people can look forward to through the generosity of parishioners here at home. Trócaire thanks us for this generosity and incredible support. Please return your Trócaire Box to the parish or your local national school. www.trocaire.org/lent

STILL MORE HOPE

If you meet new people with a trance of excitement and optimism, *then you still have hope.*

If you give people the benefit of a doubt, *then you still have hope.*

If you offer your hand in friendship to others that have touched you life, *then you still have hope.*

If receiving an unexpected card or letter still brings a pleasant surprise, *then you still have hope.*

If the suffering of others still fills you with pain and frustration, *then you still have hope.*

If you refuse to let a friendship die, or accept that it must end, *then you still have hope.*

If you look forward to a time or place of quiet and reflection, *then you still have hope.*
