I MUST STAY AT YOUR HOUSE TODAY

The Lord wants to stay with us, close to us, to become part of our lives. He comes with a gift, the gift of salvation, saying to each what he said to Zacchaeus "Today salvation has come to this house".

The gift he brings is the light of hope to any corners of despair, the warmth of love to any spaces of hatred, the confidence that we can face all of life without fear. His gift is salvation from fear, despair, hatred, and his visit heals, strengthens and forgives us.

He does not expect a tidy home, but a home open to the needs of others; nor an orderly home, but a home open to care for others; nor an up-to-date home but one open to welcome him.

He comes also with others, and when Jesus enters our lives, he invites us to care as he does for anyone we know in trouble, and to get involved in the struggle of every neighbourhood for justice, education, health and faith.

Today salvation has come to our lives, for Jesus has come into our homes, in the Eucharist and bread of life.

Over the past few months people have generously donated over €5.5million to help survivors of the disaster. Almost half of this, €2.5million was raised as a result of the church collections that were held around the country in August.
