GOD BLESS THIS GARDEN

Through which your glory shines,
May we see in its beauty the wonder of your love.

God bless the soil

Rich and teeming with life,

May we see in its fertility the promise of new creation.

God bless our toil

As we dig deep to turn the soil,

May we see in our labour your call to be good stewards.

God bless each seed

That takes root and grows,

May we see in their flourishing the hope of transformation.

God bless the rains

That water our efforts to bring forth life,

May we see in their constancy God's faithful care.

God bless the harvest

Abundant and bountiful in season,

May we see in God's generosity our need to share.

God bless this garden

As you bless all creation with your love,

May we see in its glory your awesome majesty.

Amen.
