WEST CLARE CLUSTER OF PARISHES

NOSTRA PASTORAL MINISTRY COURSE

AN OPPORTUNITY TO EXPLORE FAITH AND MINISTRY ...
BEGINNING OCTOBER 2010. IN CONJUNCTION WITH
MARY IMMACULATE COLLEGE, LIMERICK .

A TIME OF CHANGE: The West Clare Cluster is committed to encouraging and supporting lay involvement in Church by providing opportunities to think, reflect and discuss issues of life, faith and meaning. Last year, the NOSTRA Programme was offered as a pilot project, in conjunction with the Department of Theology and Religious Studies, Mary Immaculate College, Limerick. The response was very positive. Twenty seven people took part in the programme. The feedback we received at the end of the course, asked that the NOSTRA Programme be offered again. At this time of enormous change, NOSTRA aims to offer a vision of Church that makes sense today and that people can identify with. Last year's participants spoke of how NOSTRA helped them to explore their own questions. It presented Spirituality as something that is very human and must have room for the dreams, hopes and concerns of people today. Who is NOSTRA for? Anyone who is interested in exploring questions of faith and meaning is welcome to participate in the NOSTRA Programme. The Course will be especially helpful for anyone who is involved in any way in their parish, e.g. Readers, Eucharistic Ministers, Members of Liturgy Groups, Parish Pastoral Councils etc. Last year's participants spoke of the understanding that this course gives to people who are already involved or interested in being involved in their parishes.
