**REFLECTION**

We all experience moments of dying in our lives.

We get a foretaste of death

when we live in bitterness,

when prejudice blinds us,

when loneliness enfolds us,

when fears oppress us,

when sadness overwhelms us,

and when we give in to despair.

In those moments the world is closing in on us,

and we have one foot in the grave already.

But we also experience moments of resurrection in our lives:

when we know true love.

when we are accepted,

when we are forgiven,

when we open our hearts to our neighbour,

and when hope returns.

In those moments our horizon is widening

and we are emerging from the tomb.

Lord Jesus, may the power of your resurrection touch whatever is

dead in us and bring it back to life.

Let the splendour of your resurrection light up the world,

Scattering the shadows of death

And helping all of God's children

To walk in radiant hope towards the kingdom

That is to come.

Happy Easter to all our Parishioners

**REFLECTION - SERENITY PRAYER**

Lord, grant me the serenity to accept things that I cannot change,

the courage to change the things that I can

and the wisdom to know the

difference. Living one day at a time;

Enjoying one moment at a time;

Accepting hardships as the pathway to peace.

Taking, as Christ did, this

sinful world as it is, Not as I would have it,

Trusting that he will

make all things right. If I surrender to his will;

So that I may be

reasonably happy in this life and supremely happy

with him forever in the next. Amen.

**EASTER IN YOUR HEART**

Christ rises in your heart when

You wake in the morning with new hope

You go to bed with a forgiving heart

You truly grieve at another's loss

Your heart rejoices at another's joy

You keep your temper with another's friend

You refuse to nurse a niggling hurt

You try again to transform your fears

You face the routine of another day

You try again to say 'I'm sorry'

Your broken heart begins to mend

You notice beauty your missed before

You weep at the grief that causes war

You delight when love comes around again

You put together the broken pieces

And make, with God, a work of art

You dare to love despite the grief

You discover, within your winter

A summer-time that never ends

You hold the earth and all its people

As you hold the hearts of those you love

You trust in dawn at the darkest hour

You accept your weakness and it makes you strong

When you try to live in the present moment

When you know your freedom is truly won

And you dance on your grave like the Easter Son.
