These free, on-site checks provide a simple, informative overview of your hearing health.

What's included in the free hearing health check:

- Video otoscope: a visual look inside the ear using specialist equipment
- Wax check: to identify any build-up that may affect hearing
- Hearing screening: a quick assessment to indicate overall hearing health

Results are explained clearly and confidentially, with practical guidance provided where follow-up care may be beneficial.

REFLECTION

The LORD said to me, 'Come to me.' But I said, 'I'm not worthy.' 'Come to me,' he repeated, and I said, 'I'm afraid.' 'Come to me.' 'I'm too proud.'

'Come to me.' 'But I've no appointment.'

'Come to me.' 'But I can't afford the time right now.'

'Come to me.' With that I fell silent.

Then he said,

'Come...sit down...take the load off your feet.

'Sit here as in the shade of a tree.

'Refresh yourself as at a running stream.

'Here you will find rest. Here you will find peace.

'And your yoke will become easy, and your burden light.'

A warm welcome to all who are joining us for the Willie Clancy Week! We wish all the best to the organisers and all who make this week happen!

Best of luck to The Clare Hurlers V Limerick this weekend!
