**Resurrection**

*To believe in resurrection is to believe in someone who acts  
In us and for us with immense power,  
Capable of bringing life from death and of making old become  
new, orientating us to a future of huge dimensions.*

*To believe in resurrection is to believe that no limit, no barrier,  
no difficulty, nothing in this world, will be able to kill the life  
and hope which were born in God's people.*
