YOU ARE THE LIGHT OF THE WORLD

When you share your bread with the hungry, you are the light of the world.

When you do your best to find shelter and homes for the poor, you are the light of the world.

When you clothe those who are cold and educate those in ignorance, or support those who help others, you are the light of God.

In the darkness of loneliness and of isolation, the light of God will shine only because you have chosen to be a helper, to be a companion.

Let us word, Lord, be words which bring light; let our touch bring consolations and light, and let us believe, strongly and in the heart, that each of us in the light of God.
