NEW YEAR BLESSINGS

We the Priests of the Parish wish you every Blessing as we begin another New Year. We pray that it may be filled with much joy, happiness & success for every family, and in the moments and experiences of sadness may you know the strength of God's love in your hearts.

God of this New Year, we are walking into mystery. We face the future, not knowing what the days and months will bring to us or how we will respond. Be love in us as we journey. May we see all life through your eyes. Fill us with hope and an abiding trust that you dwell in us amidst all our joys and sorrows. Thank you for the treasure of our faith life.

We might find inspiration in the lines of the poet Haskins:

I said to the man who stood at the gate of the Year

**"Give me a light that I may tread safely into the unknown".
And he replied, "Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than any known way"**
