## WHEN WILL WE BE USING THE NEW EDITION OF THE ROMAN MISSAL?

The texts of the new edition of the Roman Missal are being introduced in two phases to avoid too much change happening at once. From the second Sunday of September many dioceses will begin to use the new translations of the people's prayers and responses at Mass, for example, the Confiteor, the Gloria and the Creed. These texts will be in missalettes and on congregational cards when people come to Mass. From the First Sunday of Advent the new translations of the prayers of the Mass that are led by the priest will come into use, for example, the Collect or opening prayer and the Eucharistic Prayer. The Third Edition of the Roman Missal, therefore, will be fully implemented on the First Sunday of Advent.

## WHAT DIFFERENCES CAN WE EXPECT AT MASS IN SEPTEMBER?

During September, congregations may begin to pray the new translations of the people's prayers at Mass. These new texts will be on missalettes and on congregational cards. In some places people will, by then, already be familiar with this congregational card through using it at weekday Mass or at parish meetings.

## WHAT DIFFERENCES CAN WE EXPECT IN NOVEMBER?

From the First Sunday of Advent congregations and priests will use the texts of the new edition of the Roman Missal for the celebration of Mass. While the structure, actions and pattern of the Mass will remain the same and the readings will be unchanged, the texts of recited prayers will sound different on our ears. Overtime, as the new style of language becomes familiar to us it is very much hoped that we will come to appreciate both the richness and depth of our prayer at Mass.
