YOUNG PEOPLE DOING EXAMS: We pray every success to all our young people doing exams at this time. Exams are a test of knowledge or skill. They have their importance. However, they are not a measure of worth of the individual. They indicate one aspect of us, but we are much more than any exam can show. Success or failure does not give the full measure of our worth. Each one of us is unique and precious with our own gifts and talents. God made us that way. He wants us to use those talents. Exams can be an anxious time. But remember, we are more than our exam results. We are loved for who we are, not for our achievements. God wants us to discover all our wonderful gifts.

PRAYER FOR EXAMS

O God, help me during my examinations to remember the things I have studied.

Help me to remember well and to think clearly.

Help me not to be nervous or excited that I will do myself and injustice.

Keep me calm and clear-headed.

Help me to try my hardest and to do my best.

Amen.
