THE BAPTISM OF OUR LORD.

Sons and daughters of God

Into the waters of Jordan Jesus descended,
as he has descended from heaven to earth,
as he would later descend to the underworld;

he entered fully into the depths of the river,
into the depths of humanity,
into everything that is human
and then he heard the words of God,
You are my Son, the Beloved.

A big moment for Jesus,
a moment when he knew God was with him,
that he was loved and was on the path of God.

Moments like when we knew we were lived by God,

on a mountain walk,
a stroll by the sea,
a time of prayer,
a conversation with a friend,
a time when we knew we were helping someone,
times when we have plunged into the depths and
discovered the love of God.

Moments like illness and bereavement,
anxiety about a child or a parent,
staying with someone in times of trouble:
then we have discovered something
not always seen or heard,
a faith born from the depths
of our human experience that we are sons and
daughters of God.
