**SAFEGUARDING** Learning from the past. In his Ad Limina address to the Irish Bishops on 28th October 2006, Pope Benedict

XVI stressed the need to: (i) establish the truth of what happened in the past; (ii) to take whatever steps are necessary to prevent it from occurring again; (iii) to ensure that the principles of justice are fully respected; and (iv) above all, to bring healing to the victims and to all those affected by these egregious crimes. As a church we commit to this

journey of justice, truth, healing and abuse prevention.
