Reflection

Closed-minded people put others down,
Open-minded people are tolerant and understanding.
Closed-minded people cannot see the good in people who disagree with them.

Open-minded people see some good in everyone.

Closed-minded people mind others people's business. Open-minded people mind their own.

Closed-minded people are envious and jealous,
Open-minded people are contended and thankful.

Closed-minded people know it all,

Open-minded people realise how little we all know.

Closed-minded people belittle our cultures and customs, Open-minded people know the value of diversity.

Closed-minded people are suspicious and overly cautious, Open-minded people are trusting and adventurous.

Closed-minded people talk without thinking,
Open-minded people think before talking.

Closed-minded people think they are always right,

Open-minded people realise how easy it is to be wrong.

Closed-minded people like to judge others,
Open-minded people let others judge them.

HARVEST MASS will be in Cooney's Quilty Tavern on Saturday 21st of October at 7.15pm. All are welcome.
