The Link of heaven and earth

As Jesus departs from us, there is a new link between heaven and earth, and we are present in heaven.

He brings our sufferings, marked in the wounds of hands, feet and side. He brings our sin, which has wounded him and through his wounds we are healed. He gives on earth the healing of heaven.

He brings our hopes, alive in his risen body; our hopes that good will overcome evil, that justice will prevail over greed, and that love is the most powerful force we know. He brings with him our hope that we will live forever, and because he lives now in eternity, we know we too shall live, alive to joy and peace, in the circle of love which is the home of God.

God's glory of Jesus fully alive, God's glory is men and women fully alive, fully alive to love, to the call of God, and to the life we can share with each other. Each of us is the glory of God, glimpsed partly here, to be enjoyed in heaven.

Where Jesus is, we shall follow.
