Over 100 children have been killed by airstrikes in Aleppo in Syria since last Friday. Enough is enough! There is no easy way to end this war, but there's only one way to prevent this terror from the skies -- people everywhere demanding a no-fly zone to protect civilians. The Killaloe JPIC committee encourage you to write to Minister Charles Flanagan, c/o Dáil Eireann, Leinster House, Kildare street, Dublin 2 and insist that Ireland's voice be heard in demanding world leaders impose a no-fly zone over Syria. It is critical that our voices now be heard.
